March Meeting Minutes	3

General Meeting Information

The South Carolina Orchid Society meets at 12:30 PM on the third Sunday of each month at the Garden Club Council building, 1605 Park Circle, Maxcy Gregg Park, Columbia, SC. There is a short business meeting, an orchid program, raffle plants, and a Show and Tell Table.

Visitors are welcome.

Orchids for Everyone—How about Terrariums?

Have you noticed the new trend in gardening? It's all about INDOORS and UNDER GLASS!!

TERRARIUMS!!

You see them everywhere, in all shapes and sizes, and you might have thought...."hmmmm..that could be cute in my house, but where would I begin?"

The AOS has an amazing library of video classes for members and societies to access. We will present one from Dr. Daniel Greiger from the Santa Barbara Museum of Natural History on how terrariums work, how to set one up, and what are the best plants to go into the terrarium to make sure you are successful.

In addition we will have photo's from the Western North Carolina Orchid Show (Asheville), Our own SCOS Show, and the Triad Orchid Show.

We will have show and tell. It's always fun to see what other members are growing and blooming!

We will also have a plant raffle. Members are encouraged to donate plants to the raffle. A division, something that has grown too big, or something that has never thrived for you.
